ABOUT ME

- My name is Amandine
(I know this is difficult to pronounce)
- I'm from the North of France
- I worked for 3 years in retail (marketing)
- I'm doing this volunteering project to
take a break in my life + get out of my
comfort zone
- I love discover new places, walking,
sunsets, caffe latte and IPA beers :)

WHY SLOVAKIA?

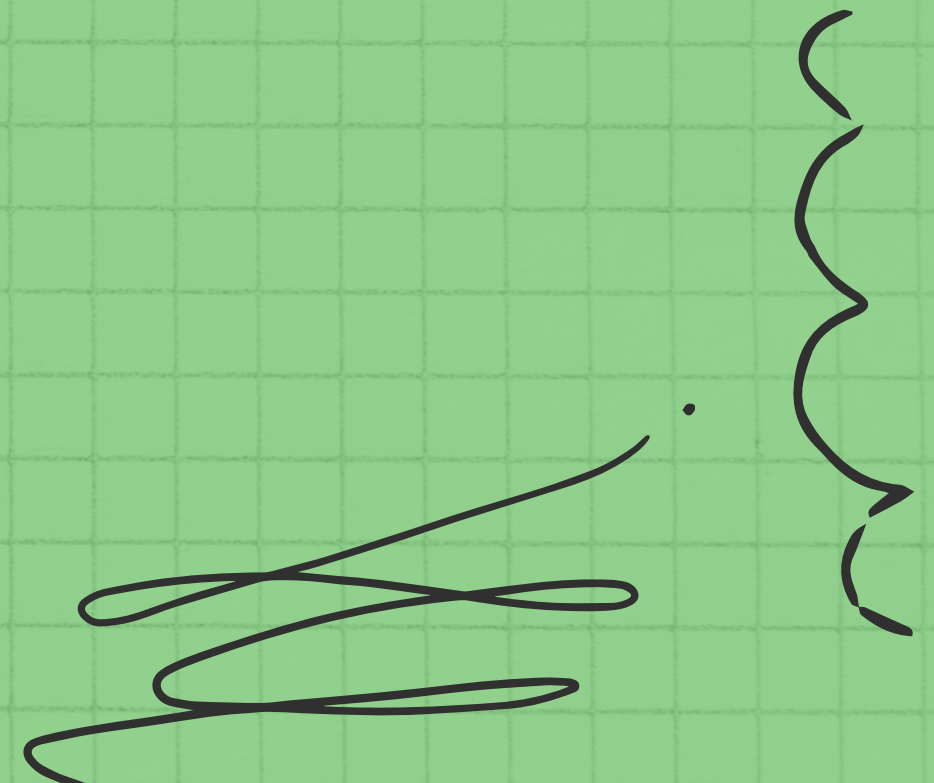

- Mostly for the INEX project
- I didn't know this part of Europe before
- I wanted to live in a medium-sized + safe city
- Not so far away from France
- I don't regret anything cause travelling to SK is a good idea :)
